NOTES

Variations

The following variations are permitted:

Electrical

As per electrical plan. If the electrical pre-wire has not been completed at the time the Agreement is unconditional, you will be able to meet with our electrician on-site and 'walk through' the house. An Electrical Variation Price List is available on request. N.B Any client supplied light fittings can be arranged directly with electrician to install and he will invoice you directly for this work.

Kitchen

As per kitchen plan. If the kitchen has not been ordered, and the electrical pre-wire has not been completed, then you will be able to meet our kitchen consultant if you would like to change the kitchen design. Any changes in price will be treated as a variation to the Contract. N.B. The position of the sink, hob and fridge cannot be changed due to pre-piping.

Floor Coverings

Please discuss any changes to floor coverings when you are choosing your interior colours.

Appliances

A list of the available appliance upgrades is available on request.

Landscaping

Please discuss any changes when you are choosing your interior colours. No additional retaining walls will be priced.

Administration Fees

As per the Special Conditions an Administration Fee of \$150 plus GST will be charged on each of the above categories if a variation is made.

N.B. The above variations are the only changes permitted. There will be no other changes including changes to frames, interior doors, insulation and plumbing fittings.

Colour Selections

Colour selections are not treated as variations. There will be one meeting with our colour Consultant to select the exterior weatherboard colour if the paint has not been purchased (N.B. no changes are possible for windows, roof garage door, spouting & bricks) and a second meeting to select interior colours if the respective items have not been ordered.
