SPECIFICATION - Page 4

FLOORING:

Carpet:

- Jacobsen carpet for living areas, bedrooms and hallways - to be selected from standard range in RPL colour room.
- Carpet underlay Strongbond Royal Opal 10mm 90kg.
- Note, as carpet rolls are in 3.6m lengths there may be some noticeable joins in some rooms.
- Garage carpet: Autex Raider - colour Tornado.

Floor Tiling:

- Tiles to entrance, kitchen, scullery, WC, bathroom, ensuite and laundry
- Underfloor heated tiles in ensuite and bathroom (not separate WC's)
- Floor tiles must be selected from the RPL range in colour room (note: tile colour may differ slightly from batch to batch).
- Tiles are available various sizes. The 300 x 600mm tile is laid stack bond style. (i.e. laid in straight lines, so the grout lines look like a grid).
- Our contracted tiler will decide which direction rectangle tiles should be laid on site.

LAUNDRY:

- Aquatica Laundra Centro Tub (taps and mixer included)

WARDROBES & CUPBOARDS:

- Wardrobe shelving: Russell Properties standard wardrobe system
- Linen cupboard to have three shelves
- Other cupboards to be left void.

- LED Exterior lights (with sensor lighting to front of house)
- House security alarm, DSC alarm with 1 keypad and detectors.
- Exterior wireless doorbell
- Underfloor heating to tiles in ensuite and bathroom
- Heated towel rails (see bathroom/ensuite specifications).

LANDSCAPING:

- Devon Cottage clothesline or similar.
- Letterbox will be provided and installed.
- Fencing as per plan.
- Balance to flat area of site to be top soil with sprayed grass seed.
- Driveway and Patios as per landscape plan.
- Two exterior taps will be installed where practical.

MISCELLANEOUS ITEMS:

The foundation at the garage door is rebated so that the door sits down on the driveway to prevent wind/rain driving under door. However, there may be a 5mm gap at side/ground level of door, but this will not be a weather tightness issue.

TOPSOIL:

If your site is filled and the ground is held by a timber retaining wall, then the topsoil above the wall may settle during the first year of possession, due to the settlement of the fill beneath. Russell Properties Limited will not be liable for rectifying or replacing any material or structure above this wall which has been affected by movement.

LAWN:

As per the Landscape Plan in this Agreement, there is an area marked "Top Soil with Hydroseeding" which is a process of mixing grass seed, fertilizer, tackifier and wood or paper mulch with water, then spraying onto the topsoil.

However, as the lawn is a living thing it's growth depends on many variables such as water, sunlight, fertilizing, lawn mowing, weed control and pest control. Due to these variables Russell Properties Limited is unable to provide a warranty for your lawn.

If you choose to undertake your own landscaping/lawn, we can provide a credit for the grass seed and/or topsoil. **Please note, that as per the covenant on your title, all landscaping is required to be completed within one year of settlement.**

We also recommend engaging After Care Lawn Expert for care of your lawn from a fully qualified expert.

OTHER:

Russell Properties Ltd reserves the right to alter the specifications and plans to allow for spatial impracticalities including but not limited to shower types/sizes and vanity types/sizes.

PERMITTED VARIATIONS AND UPGRADES:

Variations and upgrades are allowable as per the Russell Properties Ltd. "New Home Selection Guide. All product and colour decisions must be finalised and signed off by client by the **Critical Deadline Date, being 10 February 2021.** If there are any variations processed after the Critical Deadline Date, then there will be a \$287.50 Incl. GST processing charge.
